Welcome all

Three home games to go out of a total of 6 left. In

This afternoon we welcome Llanrhaeadr ym

Mochnant. This will be the third time we will have

arranged this fixture due to the wet winter and

spring we have suffered. Llanrhaeadr have provided

us and other teams problems, and we have to be switched on to their threats and work hard to create our own opportunities

For us, I would like us to go out and enjoy the games we have for the rest of the season and the team know that hard work has to be applied to allow any performance of ours to flourish in this league, which they've done so well already this season

Thank you for your support !

Penrhyncoch 3-1 Dolgellau

Dennis Bates - Parkes electrical

A valiant effort against an inform and talented league leading team. Dolgellau were well organised throughout, and it was no easy feat as Penrhyn possessed purpose in their play which meant Dol had to run the distances to close the gaps and deny ways through.

On the break Dolgellau had to play precise and quick balls to create opportunities. Best chance coming through Paul who managed to carry the ball along the byline only for the pull back to be scrambled away in the six-yard box. Moments later, Dol had a precious break through when Dennis' right footed shot was deflected into the net and giving the team their reward and a chance of a positive result on the road. Agonisingly, through a set piece, Penrhyn equalised on the stroke of halftime, bringing the teams level.

The lads battled on tremendously, and credit to Penrhyn, they worked tirelessly for their two extra goals and the three points on the evening.

The away support was heard throughout and massively appreciated. Diolch

Jack Wilkes

We are sorry to report that Jack Wilkes, who played for Dolgellau Juniors between 2012 and 2018 has been diagnosed with Burkitt's Lymphoma, a type of blood cancer that affects white blood cells called lymphocyte.

Jack, who is now serving with the Royal Welch Fusiliers is currently in intensive care in Southampton. He is on dialysis having already started an intensive course of chemotherapy. Doctors have said he is fit, has youth on his side but it is going to be a tough journey ahead.

Jack was a hardworking and reliable member of all the teams he played for, so much so that he was made captain. He was also part of the U16 team that won the Llyn & Eifionydd League and Cup treble 2018.....

A gofundme page has been set up to support the Wilkes family during this very difficult period. Any donation, large or small will be gratefully received.

Croeso Llanrhaeadr

Apart from breaks during the 1st & 2nd World Wars Llanrhaeadr FC has regularly played in various leagues including: Eastern Division of the Recreation Associations League, North Shropshire League, Oswestry and District League and the Montgomeryshire Amateur League.

In the year 2000, for the first time in the club's long history, Llanrhaeadr YM FC joined a senior league for the first time in their long history when they were promoted into the Spar Mid Wales League. The club acquitted themselves well. They were regularly towards the top end of the league, while in 2003/04 the club made it to a National Final. They reached the final of the FAW Trophy and were narrowly beaten by Penyrcae 3-2 at Llansantffraid. The following season they were league runners up, being pipped by Penrhynoch to the title. This spurred the side on and the following year they were crowned champions after beating Aberystwyth Reserves to the title. Unfortunately pitch dimensions meant the club were unable to make the step up to the Cymru Alliance.

There followed a couple of years that were tough for the club as it had to re-build but they were soon to be back in the fore again. Mario Iaquinta was appointed manager and new faces meant the club were Mid Wales League Champions once again in 2010/11. This time the club ensured that facilities were up to scratch and they were able to take their place in the Huws Gray Cymru Alliance.

The following years were a challenge for Llan. Despite this, the club maintained their place in the league for three years. However, the budgets of the other sides in the league meant that Llan ended bottom of the league in 2013/14, and relegation followed to the Spar Mid Wales League.

A couple of years of consolidation followed with Marc Griffiths and Graham Evans at the helm. They slowly built a squad which got stronger over time which culminated in a squad being assembled in 2017/18 which easily won the Spar Mid Wales League by 20 points. This was a notable season for the club as they went on an excellent Welsh Cup run too. They beat Cymru Alliance sides FC Queens Park and Caersŵs in the early rounds. They then hosted League of Wales side Cefn Druids in the last 32 and despite falling behind twice they prevailed 3-2, an outstanding result. In the last 16 Llan hosted League of Wales giant Bangor City. Over 600 people turned up at the Recreation Ground and witnessed an excellent performance from Llan, but they were just beaten 3-2. Unfortunately, the facilities at Llan weren't up to the required standard and the club took the difficult decision to play their league games at Treflan, Llansantffraid in order to accept promotion.

The 2018/19 season was always going to be a challenge with home matches being played 'away', but the tone was set with the first game of the season when highly fancied Rhyl were beaten 1-0 at Llansantffraid. Results were gained throughout the season and with a game to spare Llan's status was secure in Tier 2. Whilst games were being played at Llansantffraid, work was being carried out at the Recreation Ground in Llan to ensure

stood toe to toe with all teams and were always in the top half of the table. Notable results were gained against many sides but the stand out performance was when we came back from a 3-0 deficit away to Rhyl FC at half time to come away with a famous 5-3 comeback victory. When Covid 19 forced the early finish to season Llan were in 7th position! Again, an outstanding achievement.

Season 2020/21 was never going to get going due to COVID. 2021/22 proved to be a difficult one for Llan. There were numerous games where we didn't get the results that our performances deserved and at the end of the season we were relegated. It also saw Marc Griffiths leave his role as manager after an incredible 9 years with the club.

Last season was Mike Barton's first with the club. It was always going to be difficult after the exodus of players. After a tough start, the boys put an excellent run together to finish mid table. Thirty four points from the sec-
