Croeso i chi a chroeso i'r Trallwng i'r Marian heddiw.

Heddiw rydyn ni'n chwarae tîm sy'n ei chael hi'n anodd y tymor yma wedi iddynt golli ambell chwaraewyr dros yr haf. Serch hynny, mae eu gemau i gyd wedi bod yn rhai agos ac yn anffodus rydyn ni bob amser yn tueddu i ostwng ein gêm yn erbyn tîmau sy'n nes at y waelod y gynghrair. Mae'n sicr y bydd hi'n gêm debyg i Penycae wythnos diwethaf a roddodd perfformiad egniol a phwysau wrth ymosod, ond clod i'r tîm am ddal eu nerfau a pharhau i greu cyfleoedd ein hunain a chymryd mantais ohonynt.

Mae 'na wastad lle i wella ac mae'r hogiau yn bendant wedi bod yn chwarae'n dda dros yr wythnosau diwethaf. Gobeithio y gallwn pnawn 'ma gyfyngu ar gyfleoedd ein gwrthwynebwyr i sgorio a bod yn llawer cryfach a phendant yn ein meddiant.

Gobeithio y bydd Euron Roberts yn dychwelyd i ymarfer ymhen wythnos neu ddwy ar ôl troi ei bigwrn yn Llanandras, ac mae Rob John yn aros am sgân ar ei ben-glin

Diolch am eich cefnogaeth anhygoel, mae bob amser yn cael ei werthfawrogi gan y tîm a'r clwb. Diolch

Today we play a struggling side who've lost a few players over the summer. They've had some close results along the way and we always have a knack of dropping our game against teams nearer the bottom. Like Penycae last week who put a lot of energy and pressure going forward, but credit to the team for holding their nerve and continuing to create our own chances and making them count.

There's always room for improvement and the lads have been finding form over the last few weeks. Hopefully today we can limit the opposition to goal scoring opportunities and be much stronger and decisive in possession.

Euron Roberts will hopefully be returning to training in a week or two after suffering a rolled ankle away at Prestigne, and Rob John is waiting for a scan on his knee.

Thank you for your amazing support, it's always appreciated by the team and the club.

Ar Y Marian

Dolgellau 5-2 Penycae

Gerwyn Williams 4; Paul Lewis

Gerwyn Williams M.O.M

A trickier game than the scoreline suggests with Penycae making it uncomfortable for majority of the game. After a couple of home missed chances Penycae took the lead breaking well down the right. Dol battled away to get the equaliser through Gerwyn, and then a brilliantly worked goal starting from the keeper and down the left side for Dol's and Gerwyn's second. Paul added a third from a set piece to make it 3-1 before half time. Second half Dolgellau couldn't get out and Penycae applied plenty of pressure and got their reward to bring it back to 3-2. Dol at this point we're looking dangerous on the break and the 2 goal cushion resumed when Gerwyn buried another chance, scoring his 3rd hattrick in four games. Ger added a fifth for his fourth after some nice football on what was a very cut up pitch

by the end. Well done to the team who extend their unbeaten run to four. Up next is another home league tie to Welshpool

Thank you for your support today. That one was for Martin Glyn

Caersws FC Reserves 3-1 Dolgellau Reserves

"Can't fault the boys today, we were much more disciplined and kept hold of the ball well in the first half. We were unlucky to concede a penalty when we did and switched off at a corner for their second, but kept fighting and pulled one back through a long range lob from Captain Tommy Redgrift.

We run out of steam a bit in the second half, with a few of the lads not 100% after illness hit our squad during the week. Caersws eventually got their 3rd after a brief lapse in concentration, but we dug in and defended well until the end. We dedicate our hard work and efforts today to Martin Glyn, who was very much in our thoughts throughout the day and we were proud to hold a minute's silence in his honour."

Welshpool Town FC has a rich and varied history. The club was founded as Welshpool Town F.C. in 1878, but adopted other names such as Welshpool Wanderers and Welshpool Warriors - although the latter may have been a separate club. The club reformed as Welshpool AFC in 1889 after one season as Welshpool United and briefly joined the Shropshire League. After World War 1 Welshpool competed in the Central Wales Leagues winning the Central Section in 1921. Four years later in 1925 the club moved up to the First Division (North) after finishing as runners up to Llanidloes Town.

After World War 2 Welshpool moved to the Welsh National League (Wrexham area). During the 1950s and 60s the club competed in various competitions including the Welsh National League, which they won in 1954/55, 1956/57, 1961/62 and 1964/65 and the Welsh National Cup in 1957/58; the Montgomeryshire Challenge Cup, winning it in 1950/51; the Knighton Charity Cup won in 1952. The Youth team won the Oswestry Minor League Cup in 1961 and 1962.

The club was one of the founder members of the Cymru Alliance in 1990. They finished second in 1993 and 1996 and when champions Oswestry Town were not eligible for promotion, Welshpool took their place in the League of Wales in the 1996/97 season instead, finishing 17th. In the next season Welshpool Town were relegated and stayed in the Alliance until winning the competition in 2002 to regain Welsh Premier status.

In the summer of 2011, the club's sponsorship agreement with Technogroup ended and the side reverted to the name of Welshpool Town Football Club. Due to the impact this had on the finances, the club opted to become fully amateur. Problems with managers continued and just two weeks before the season and the club had no manager and no registered players. However, the Spar Mid Wales League agreed to postpone the club's opening three fixtures to allow time for a new manager to be appointed and a team was pulled together in time for the opening match with title favourites Montgomery Town FC.

When Welshpool lost 10-1 to Waterloo Rovers on Boxing Day 2011, Sky presenter Jeff Stelling made a joke about the club on Soccer Saturday. A letter from the Welshpool manager explaining the club's plight was read on air by Stelling, and Soccer Saturday reporter and ex-player Chris Kamara offered to turn out for the club in their fight against relegation. Kamara made his debut on the 28th of January 2012, but could not prevent a 6-1 home defeat to Rhayader Town. Kamara was signed to the club until the end of the season, and played again against Newbridge-on-Wye on 28 March 2012. He was joined by another former player and Soccer Saturday regular, Paul Merson, who scored in the match, but Welshpool still lost 4-1. There was another change in management in 2013 and in the 2014/15 season Welshpool finished 10th in the Mid Wales League Division.

Since then, the club's fortunes have gone up and down, with spells in the Welsh Premier League, a number of years as a semi-professional club following a sponsorship-deal before reverting back to full amateur status as well as a flurry of managers before the club settled down with the current committee and management personnel.

Welcome Welshpool

In the last couple of years, the club has worked hard to develop and create a One Club image encompassing both juniors and seniors. While improving its first team performance, the club has been keen to build on the success of Welshpool juniors to create a path for young, talented players to develop and join the senior teams. The club also has a women's team which it is going from strength to strength and overall, the club's aim is to encourage the next generation of boys and girls to take up the sport.
